

**Share your LOVE for your school!
Make a new MIS family feel welcome!
Be a MENTOR in 2010-2011!**

It doesn't take a lot of time or effort, but it is a huge help to new families and MIS. You can help make new families feel more comfortable by:

- answering those questions that might not be covered in the school handbook or website
- helping them navigate the Back-to-School Preparation Day in August, or
- joining them at the Newcomer Social.

Please consider being a welcoming and friendly resource for our newest members of the MIS community!
